

Sheffield & Hallamshire Motor Club

Hope Motor Show

19th June 2006

This year is the Sheffield & Hallamshire Motor Club's 20th Annual Motor Show to be held in the Hope Valley. The show has been run by other motor sport clubs for most of the last century.

As last year the show will be organised by Sheffield & Hallamshire Motor Club assisted by SUMSCO, which is a motor sports company run by engineering students at the University of Sheffield as part of their course.

We would like to invite you to bring your vehicle (more than one if you like!) along to

The Travellers' Rest, Brough Lane Head, Hope Valley
(O/S map ref: 110:184/828, A625) on Monday June 19th 2005,

You will be assured of a very warm welcome. There will be the opportunity to meet old friends, make new ones, and sample the hospitality of the Travellers' Rest, in the spectacular surroundings of the Hope Valley.

The S & H Motor Show is the one time when car and bike lovers, motor sport addicts and enthusiasts get together to exhibit a unique mix of Competition, Vintage and Classic vehicles. The show, as usual, is seeking a high calibre entry, with the emphasis on cars or bikes that are competed. The club is about motor sport and we are keen to see a range of vehicles and their owners at the event which is as much a social occasion as a show.

If you would like to exhibit please complete and return the enclosed entry form no later than

5th of June for inclusion in the programme.

Please try to arrive by 6:30 p.m. bringing the number card and entry pass which we will send to you in due course.

If you know anyone else with a vehicle of the calibre expected at this show, please do not hesitate to copy the entry form for them.

We really do appreciate the effort put in by you, the owners, who make it all possible and look forward to seeing you in June!

Best Regards,

Tina Asquith and Sheffield University Motor Sport Company
