2007 'Jackson Trophy Rally'

Foreword

Sheffield and Hallamshire Motor Club once again present the fourth Arena Panel Paint "Jackson", which has this year attracted interest from the ANCC and AWMMC championships, as well as maintaining its usual EMAMC and ANEMMC championships.

Once again, we have taken on board the comments from yourselves and offer a 140 mile route, including 3 miles of smooth part tarmac/ part gravel whites. Navigation will be straightforward and balanced.

As previously, a reasonable proportion of competitive mileage is included on classic moorland roads in South and West Yorkshire.

The timing is sensible, with adequate recovery sections for all competitors, whilst strong attempts have been made to achieve a good "flow" for the event.

The route is also marshal friendly and a hearty goodie bag will be supplied to all teams.

We hope to meet all previous competitors along with some new crews who may not have experienced driving these roads for some time.
