Dear Enthusiast,

Last year's show was amazing and this year we hope to be even better. We attracted 150+ bikes and cars and can accommodate more, although those which are competed will always be this club's first choice, and for the vintage and classics, the rarer the better. As in our previous shows, the better the quality of the vehicle, the more we and our visitors like it.

We would like to invite you to bring your vehicle and join us for an evening in the beautiful setting of the Travellers Rest, where you are assured of a very warm and traditional welcome. The Sheffield and Hallamshire Motor Show at Hope is the one time when motor sport enthusiasts meet car and bike lovers, to enjoy each other's company surrounded by a unique exhibition of Competition, Vintage and Classic vehicles.

If you would like to exhibit please complete and return the enclosed entry form no later than 10th of June for inclusion in the programme. Please try to arrive before 6:30 p.m. bringing the number card which we will send to you in due course.

If you know anyone else with an interesting vehicle who would like to display it, please photocopy the entry form, or simply contact Tina Asquith.

We really do appreciate the effort put in by you, the owners, who make it all possible and look forward to seeing you in June.

If you have an email account please feel free to use that instead of a paper entry form.

Best Regards,
